

The Worshipful Company of Engineers

(Incorporated by Royal Charter)

Saddlers' House, 44 Gutter Lane, London, EC2V 6BR

E-mail: The Stephenson Co-ordinator stephenson.award@engineerscompany.org.uk

The Stephenson Award

Award Conditions & Nominations Form

Closing date for Nominations
1 March 2022

Sponsored by members of the Company who are also members of
The Institution of Mechanical Engineers
& a generous charitable donation from Rolls-Royce PLC.

The Stephenson Award

Award Conditions:

Awarded to individuals who have demonstrated excellence in encouraging and motivating young people into any branch of engineering at all levels. Nominations are sought from Industry, the primary, secondary and further education sectors and appropriate voluntary organisations.

The Judges are particularly looking for: "breadth" (where the nominee has engaged a diverse group), "depth" (where there is a track record of delivery over time), "collaboration" (where the work engages with pre-existing activities) and "impact" (where there is some measure of the change needed). Specific credit will be given for commitment beyond that which might be expected as part of an individual's day to day employment.

Value: £1,000 plus a Medal and Certificate

Nomination Form

The Candidate

Full Name of Candidate:

Title:

Designatory Letters:

Correspondence
